MUSIC: Wonder Woman talking like a pirate

...and back at work. This has been a loooooong day, and it's not over. I almost wish something would--no, no, be careful what you wish for.

Vacations are *bad* for me.

Thank you

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

COLLAPSE

I hiked up this today:

World's best place from which to watch the sun rise!

I am so not surprised that that "hazardous during darkness" comment didn't serve as a deterrent. *g*

Of course, geckos scoff at any route with a *handrail* on the scary bits...

Seriously. You just follow the chain up. What could happen?

Besides, it was nautical twilight at least.

Tomorrow my goal is the Virgin River hike. With a little luck I will not be washed away in a flood.

So why is the day long? Just 'cause of being back at work?

Pretty much. I mean, I'm kinda familiar with this scenery. Also, I'm lonely. No Duke, no you; nobody but the Cowboy and me to throw erasers at Wonder Woman when she calls us "matey." (Though, gotta say, the Cowboy has a hell of an arm.) At least you're coming back. But I'm still not used to being Duke-less.

In my secret identity as a mild-mannered boy reporter, I am only ever a phone call away.

I'm bored anyway. You need some help with your paperwork? I could come in tomorrow.

...Seriously? You would? PLEASE!!!! I'm trying to get ten-year-old statements in Bloomington, IN released, and you'd think nobody knew which closet they left 'em in.

Sounds like a job for Jimmy Olsen to me. Let me check with my boss--oh, wait. ;-) I fired him. Now they pay me more money to do less work, and I don't have to carry a gun.

Yeah, I'll be in at nine. You want coffee from the good place?

Or something.

Ugh, yes. I went back to school as a student today. I want another 3 months of vacation Right Now.

Insert "teacher" for "student," and oh yes.

Are you sure it's not "vacations **ending** are bad for me"? (Especially vacations that involve Vermont.)
